Dear Band Members

HERE WE GO! The 2017 Centennial Marching Band Show is kicking off! This year's season is sure to build on last year and has all the ingredients to ensure success! But we need you and your commitment. Again, like last year, if you are in band at Centennial, you are part of the marching band. Marching band is co-curricular and will require some out of school rehearsal and events. If you are in sports or other organizations, we love it and encourage you to be well rounded, however, communication will be the key. Most conflicts can be worked out. This year's band fee will be \$150. The fee needs to be paid or raised prior to the start of school. Fundraising is available.

If you need to be absent from a rehearsal or event, you must submit a "Request for Absence" via our web site centennialband.us. **OUR DRILL WILL BE WRITTEN FOR THE PEOPLE WHO RETURN THEIR COMMITMENT FORMS** on page 12 of the handbook. If you cannot attend mini camp, but still want to be in marching band, please contact Mr Muller immediately.

YOU MUST SIGN UP FOR MARCHING BAND REMIND: TEXT @chsinstmb to 81010
