Absences / Tardies

- Students who are absent must have a parent or guardian call the school the morning of the absence to excuse them. Please make every effort to call you student's absence in during the morning. Excessive absences may result in disciplinary action including truancy court.
- Students who are tardy, must have a parent or guardian call the school *prior* to the tardy to excuse them. Parents should be aware that excessive tardies may result in disciplinary action.
- Students are not allowed to call themselves out. Students attempting to do so will encounter consequences. This includes students who have turned 18 years old. Turning 18, does not mean you are emancipated.
- Students that are absent or tardy in class without a call from a parent or guardian are considered unexcused.
- Students leaving for appointments must have a parent or guardian call to excuse them. **Student cannot leave campus without a pass from the office.** If a student leaves campus without a pass, the absence is considered unexcused. Parents, please make every effort to call in early in order to have your students excused during the day.
- Parents should be aware that the absence and tardy policies followed by Centennial are for student safety as well as academic success. Students demonstrating consistent attendance have an easier path to graduation and success.

Assemblies

- During the year Centennial High School conducts assemblies for sports, academics, royalty or special occasions. Some of these assemblies are optional as students may elect to stay in class to study, catch up on assignments, or get help from teachers.
- Assemblies are part of the school day, they are not early dismissal time. Students leaving campus without permission during assemblies will be considered truant and face disciplinary action. Students are expected to conduct themselves just as they would in the classroom during assemblies. Disruptions will result in disciplinary action.
- Other assemblies during the year will be 'all-school' assemblies (i.e. Bell Assembly) and all students are expected to attend. These assemblies are not optional and are a part of the school day. These assemblies are an important part of tradition, school spirit and community at Centennial. Students are encouraged to participate in order to contribute to and become a part of the rich history of Centennial High School..
- Parents seeking early dismissal for students on assembly days should do this **early** in the day as assembly days can get hectic and phone lines may be very busy.
- Parents are always welcome at our assemblies. Please check in at the main office when you arrive.

Building Access

- The building is open at 6:30 am. Students in the building at 6:30 am will remain in the Commons area, unless they are in the building for a supervised activity. (i.e. sports practice, club meeting, etc.) Students are not allowed in classrooms, media center, gym, etc before classes begin unless they are supervised.
- Students in the building after school, must be in a supervised activity. Students should not be loitering in hallways, classrooms or media center, unless supervised. Students who do not have an activity or reason to be in the building after school will be asked to leave. Students who are waiting for a ride, can sit in the Commons area.
- For safety, security, administrators, and staff have the right to question students about their activities in the building or on the school grounds during the school day, after school or at school activities.
- To ensure the safety of all our staff and students, the building is locked and secured after 1st hour starts. Students, parents or visitors wishing to enter the school after this time, should enter through the main doors on the Mountview side (near the tennis courts). Visitors will be permitted secured access at the front door by office staff.
- **For the safety of all building occupants, doors will not be propped open. Those caught opening locked doors, will face disciplinary action.**

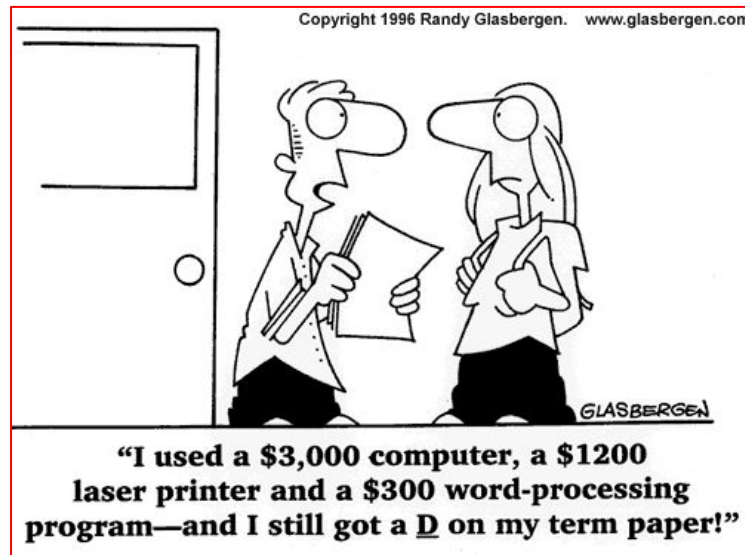

Classroom Conduct

- Students are expected to be on time and ready to learn.
- Students are to be in their assigned classrooms, during their assigned period.
- Students are not to leave a classroom without permission or a pass from the classroom teacher. Hall passes are a privilege granted to students by classroom teachers and administration that can be revoked at any time. Students caught wandering hallways, school grounds or in the bathrooms during a class period will be considered truant and face disciplinary action.
- Students are not to have electronic devices or related accessories out during class time unless otherwise directed by a teacher or administration. Disciplinary action may be taken if these items become a disruption in a classroom.
- Students should not have food in classrooms, unless they have been given permission from the classroom teacher.
- No boutique items (e.g. flowers, stuffed animals, balloons, etc.,) are allowed in class as they are a disruption to the learning environment. Florists or other companies attempting to deliver items to students will be turned away at the main office.

Cheating or Plagiarism

- It is paramount that each student turn in work that is original. No student may turn in another student's work as his own. Intentionally presenting information from a published resource (e.g. encyclopedia, a magazine, a pamphlet, a book, an internet site, etc.,) without appropriate citation will be construed as plagiarism.
- Penalties for plagiarism may include:
 - A grade of zero on the assignment
 - A referral to the assistant principal for cheating/plagiarism and first offense parent contact
 - Administrative disciplinary action

Contacting Teachers

- Parents/guardians or students who would like to conference with a teacher can call the main office (549-7335), or email the teacher directly. A [building directory](#) is located on the Centennial website, or visit our [Classrooms](#) page for more teacher information.
- Parents are asked to please make an appointment if they desire a one on one conference with a teacher.

- Parents are encouraged to attend our Parent Teacher Conferences. These conferences are normally scheduled in November and February. Please check the [calendar](#) on the Centennial website for dates.

Dances

- During the year, Centennial will sponsor several school dances. Teachers, administrators and security also attend our school dances to chaperone and ensure that everyone has a safe, fun, time. All dances are held at the school, with the exception of Prom which takes place off campus. Please refer to our [calendar](#) for the dates and times of these events, or call the Activities Office at 549-7339.
- Dress for most dances is semi-formal: dresses, dress pants, dress shirts, no jeans. Dress for Prom is formal: suits, tuxedos, formal dresses, no jeans. Students inappropriately dressed will be turned away.
- Appropriate conduct and responsible behavior is expected. Alcohol, drugs, cigarettes, vapors, and weapons, are not permitted and students caught with these items will face disciplinary action.
- For safety and security purposes, students are not allowed to leave and then return to a dance. Anyone leaving the dance prior to the scheduled end of the dance will not be allowed to return.
- Students who will be bringing a date from another school, should get a '[Dance Permission](#)' form, from the Activity Office, complete it and return to Centennial before the date of the dance. These permission forms are for the safety of everyone, and assist in determining who is in attendance..
- Parents are always welcome at our dances! If you'd like to help or chaperone, please contact the Activity Office at 549-7339 for more information.
- Activities such as 'Bell Bash' and 'After Prom' are also attended by administrators, security, and staff. Students are also expected to adhere to the student code of conduct at these activities. The same expectations and rules of a dance apply at these events.

Elevator Use

- Students have 4 stairways to access the upper floor at Centennial. If a student has been injured, and the use of the stairway is not possible, an elevator key can be obtained from the main office.
- Students obtaining an elevator key, will sign a very short contract of responsibility for the key. Additionally, a doctor's note is required stating the injury and how long they will need the key. If the key is lost or not returned at the appropriate time, a \$25.00 fine will be assessed to the student. Students are responsible for returning the elevator key or paying the fine.
- Students who need to use the elevator are not to abuse the privilege. Peers may be assigned to help with books, backpacks, etc. Abusing the use of elevator privileges can result in disciplinary action.

Emergency Drills / Procedures

- During the school year, Centennial is required to hold emergency preparedness drills, which may include, **fire drills, tornado drills, secure perimeter** and **lockdown** drills.
- Fire and tornado drills are conducted so that students and staff know the proper exits procedures and places to shelter in the event of one of these emergencies.
- We are required to time many of these drills in order to make sure that procedures are followed as quickly and safely, as possible. Parents or visitors in the building during any drill will follow procedures with the rest of the students and staff.
- A '**Secure Perimeter**' is when the building is locked and secured from the inside with security posted at main doors. When a Secure Perimeter is in place, no one is allowed to enter or exit the building until such time as the Secure Perimeter is lifted. Visitors will not be allowed to enter. If you are picking up a student, you may be asked to come into the main office, sign them out, and they will walk out with you. This is done for the safety of students and staff. **Secure Perimeter** is usually implemented because of police activity in the area of the school -- this could mean a robbery or other incident that the Police dept or Pueblo City Schools has determined could pose a possible threat to students. The goal of a **Secure Perimeter** is to maintain the safety and well-being of all individuals in the building.
- A '**Lock Down**' is when the entire school and every classroom within the school is locked down. No one is allowed to leave or enter from any room during a lockdown drill. Students and staff are not allowed in the hallways. Students shelter in classrooms or designated areas. The police department is normally involved in lock down drills to ensure procedures are followed and the safety of students is being met.
- We ask that all parties be patient during these situations or drills, as we often will not be answering phones or doors in order direct students, or to comply with the drill. These procedures are in place for the safety and well-being of the entire Centennial High School community.

Extra–Curricular Activities

- Every student is encouraged to participate in after school or extracurricular activities such as athletics, music, drama, clubs, student council, etc. When students commit to an activity, they owe it to themselves to give their best effort.
- When considering extracurricular activities you should plan your schedule carefully so as not to become overloaded.
- Activities will be scheduled during the day or after school at times convenient to the group or team and its members, advisor, and/or coach. Students are not to remain after school unless requested or participating in activities supervised by an advisor. Only officially recognized school groups may use the school building or its facilities. **Students may not use facilities without staff supervision.**
- Students participating in activities during or after school will be held to the same code of conduct and academic standards and behavior as they are during the normal school day. Problems with behavior during activities will be managed in the same manner as problems during the school day -- this may include detention, suspension or expulsion.
- Students participating in sports sanctioned by CHSAA, are under all eligibility and sportsmanship rules as governed by CHSAA. Questions regarding specific athletic rules should be addressed to the Activities/Athletic Director at 549-7339.

Graduation Requirements

- Students or parents who have concerns or questions regarding graduation requirements should contact their assigned school counselor to ensure they are getting accurate information that will best fulfill the academic requirements.
- Parents / Students can also access the [Centennial Pathways document](#), for an overview of class selection and graduation requirements.

Homework / Make-Up Work

- Students who are out for 1 or 2 days should check the Centennial website for links to their teachers' classroom pages, or information to email their teachers regarding homework or make-up work. Take advantage of these electronic lines of communication! They are the most convenient and quickest means of obtaining make-up work after an absence.
- Students are allowed 1 make-up day per absence day. For instance a student absent 1 day, will have 1 day to make up the work that was assigned, 2 days absent will mean 2 days for a student to make up the work, etc.

- Students who are out for 3 consecutive days can call the school and request homework. Homework will be collected and will be available for pick up in the front office after the school day has ended.
- A student with an unexcused absence may receive a '0' on work assigned during that unexcused absence. Please speak to your administrator and/or teacher if this problem arises.

- The student must occupy the locker assigned and it is the responsibility of the student to see that the locker is kept locked at all times. The school is not responsible for any loss or theft of items from lockers. **School officials reserve the right to search lockers when there is suspicion of a threat that could endanger the health and safety of other students.** Your locker is adequate for your books and other school supplies and should be kept clean and neat in appearance at all times. If the combination lock issued to you is lost or stolen you will be charged \$5.00 to replace the lock.

- No student should be in the Media Center without a pass from the classroom teacher.
- Do not leave the media center with media center materials, unless they have been properly checked out. Leaving with items not checked out is considered theft.

Partial Absence / 'PA's

- Students who are not in 7 classes, must have a scheduled 'Partial Absence' (PA) card. These cards are given in the main office once the student has had their PA approved and it has been officially entered on the student's schedule. Students need to ensure the card is available in case administration or security asks to see it. PA cards can alleviate confusion when a student is in the hallway, arriving late or leaving early. This card should be updated at the beginning of each semester.
- Students who have an early PA or a PA in the middle of the day are required to park on the Mountview (tennis court) side of the building since they will need to be buzzed in by the main office when they arrive or return to school.
- Having a PA is a privilege not a right. Students may not abuse the privilege by missing other classes. Students who have a PA, but fail another class, may have their PA privileges revoked in order to ensure that their academic standing is not jeopardized, and they remain on track for graduation.

Student Parking

- **Students are to use the designated parking lots only.** Once cars are parked, students are not allowed to sit in cars or loiter in the parking lot during the school day. Cars are to be parked between the lines marked on the lot.
- Violators will be prosecuted in accordance with the law. Moreover, disciplinary action will be imposed by school officials. A permit must be affixed in the window of the vehicle. The permit will require proof of vehicle insurance, driver's license and registration. The permit will be issued by the security office.
- Students who have been assigned a PA and will arrive late, must park on the Mountview (tennis court) side of the building in order to enter through the main doors during the school day. This ensures that proper security procedures are consistently followed.

Parents may come in to the school and give their students medication if they choose. Please check in at the main office when you arrive.
